Harold Bauer

Recognized the world over as one of the very great pianists of all times, writes concerning the

Mason & Hamlin PIANOS

Mason & Hamlin Co.

Dear Sirs:—As you know, I have used your pianos under many different conditions, in recital, with orchestra, in small and in large halls, and their adaptability to all requirements has equally astonished and delighted me. Their tone is one of never failing beauty; the action is wonderful in its delicacy and responsiveness. Your vertical grand, style O, is the only instrument of its kind, as far as I am aware, capable of giving complete satisfaction to any one accustomed to play upon a grand, and I have no hesitation in saying that it is, without exception, the finest upright piano I have ever met with.

MRS. MARY MEYER

Mrs. Mary Meyer, Thomson avenue, near Shell road, Winfield, L. I., N. Y., writes: "I have been annoyed with a cough for years. Often it was so bad that I could not eat half the night. Many people thought I had consumption."

Consumption Was Feared

"A woman recommended Peruna to me two years ago. I began to take Peruna, and now I am perfectly free from a cough. I am glad to say that Peruna cured me entirely. 'I take Peruna occasionally when I do not feel well, and I also give it to my children.'"

"Peruna is the best medicine for coughs and colds. I have told many people how much Peruna has helped me." Mrs. Hettie Green, R. R. No. 6, Iuka, Ill., writes as follows of the efficacy of Peruna:

"Last November I had catarrh and felt so miserable I thought that I would go into consumption. 'I tried so many doctors and medicines, but nothing did me any good, only Peruna.'"

"After I began the use of Peruna I began to improve in every way. My head did not hurt so much, my stomach is all right, my bowels are regular, my appetite good, my complexion clear, my eyes are bright and am gaining in flesh and strength."

"I think Peruna has no equal as a catarrh remedy."

Peruna tends to lessen the cough, decreases the expectoration, strengthens the patient, increases the appetite and in many cases procures sound, refreshing sleep.

MISS BEULAH B. BROOME

Miss Beulah B. Broome, 409 Twelfth street, N.E., Washington, D. C., writes: "I have suffered from WEAK LUNGS and catarrhal troubles for four years, brought on by many neglected colds, but on the recommendation of a friend I gave Peruna an honest trial and I

Weak Lungs for Years.

am pleased to state that it RESTORED ME TO PERFECT HEALTH. There is not the slightest trace of catarrh in my system and my lungs are perfectly sound. 'I unhesitatingly give this testimony.'"

Mrs. William Hohmann, 569 North Paulina street, Chicago, Ill., writes: "I suffered from catarrh of the bronchial tubes and had a terrible cough ever since a child. After a while it got so bad I had to cough both winter and summer. Finally I burst a blood vessel in my throat from the strain of coughing, next a blood vessel in my stomach, so I kept getting worse and doctoring, and even then could get no relief. I thought, and everybody else, that I had consumption."

"Reading the papers about Peruna I decided to try it, without the least bit of hope that it would do me any good. But after taking three bottles I noticed a change. My appetite got better, so I kept on, never got discouraged."

"Finally I seemed not to cough so much, and the pains in my chest got better. I am well now. I cannot tell you how grateful I am and I cannot thank Peruna enough. It has cured where doctors have failed. People who think they have consumption better give it a trial."

MISS JOSIE SCHAEZTEL

Miss Josie Schaeztel, general delivery, Appleton, Wis., writes: "I contracted a severe cold, which settled on my lungs in very short order, and it was not long until it developed into a serious case of catarrh. Every morning I would raise a LOT OF PHLEGM, which was very disagreeable. My digestion was poor and my LUNGS SORE."

Consumption Prevented.

"After a few doses of Peruna I began to mend, and felt that if I kept on taking it it would not be long until I would be well. I was right, for in four weeks I was WELL AGAIN. 'I think Peruna is a grand medicine, and wish to add my testimony to the many others you have.'"

The fight against consumption is becoming a national problem. Everywhere we hear of sanitariums established at the expense of the state for the treatment of the vast army of consumptives.

The open air treatment, fresh air and sunlight, are recognized by the medical profession generally as being the greatest necessities in the treatment of consumption in all stages.

Dr. Hartman has for many years advocated the fresh air treatment for consumption. At the same time he has recognized Peruna as a useful palliative for the many distressing symptoms which accompany the white plague. The promptness with which Peruna relieves a fresh cold, and even removes chronic colds, is well known. This ranks Peruna as a reliable prophylactic against consumption.

OUR buyer wandered away from the chosen path that this store is so well known for, as Utah's exclusive and greatest ready-to-wear garment house—in fact the only house that does not carry a single yard of piece goods—therefore, when our buyer was approached upon this line of embroideries, he simply turned the proposition down. The importer made him a price that was so appallingly, so ridiculously low, that it at once started him to thinking. He saw a chance, an offer was made, the deal closed. The whole story is told in a few words. We simply got the entire import line of embroideries at our own figures; getting the lot at less than fifty cents on the dollar. As it is our custom, we hand the extraordinary savings over to our customers, thus enabling you to secure embroideries for less than the price to produce them, and in order to accommodate the great crowd that will attend this sale Monday, we have given over the entire half of the main floor to this most sensational, most gigantic, greatest money-saving event that has ever taken place in the history of Salt Lake's bargain giving. You will find embroideries of all widths in beautiful fine fabrics—designs that are artistic, patterns that are dainty. Embroideries for shirt waists, embroideries for skirt flouncing, embroideries for corset covers, embroideries for drawer flouncing, all handsome, beautiful, dainty, artistic, high grade embroideries.
